TO WHOM IT MAY CONCERN

I am writing to warmly recommend Malik Shahid Al Parvez. He worked with us at IP Traffic Xchange Limited in the position as a Director, SBC (Session Border Controller) Admin and Network Admin, and reported to me in my position as Chairman from July 2005 to June 2012.

He was a highly valued member of the team and made a strong contribution during his time here. We put a premium on team players and Malik Shahid Al Parvez was a natural fit.

He displayed an eagerness to learn and a constructive attitude towards feedback. He quickly gained the respect and trust of colleagues and were praised for their reliability and collaborative spirit.

Malik Shahid Al Parvez has a passion for the job that had a positive impact across a number of projects. I would not hesitate to hire him again if the opportunity and the right role emerged. His background and experience should be a good match for the position of SBC (Session Border Controller) Admin, Network Admin and System Admin.

I highly recommend Malik Shahid Al Parvez for employment. I am available and happy to discuss should you have any further questions.

Sincerely yours,

Matthew Griffiths
Chairman
